

# HAPPY HOLIDAYS

Everyone at Walk On wants to take this special time to thank all those people who have made it possible for us to continue to provide for our magical program. Our thanks goes out to the contributors, sponsors, families, friends, volunteers and granting agencies for their on-going support. We also want to thank everyone who bought raffle tickets, attended our events, gave of their time, or expertise. You are sincerely appreciated.

Your generous donations over the past year have helped us to accomplish many of our dreams. Some of these include the maintenance of our wonderful horses, support for our extraordinary staff, and special opportunities for our dedicated volunteers.

**Above all, you have helped to positively change the lives of our participants.**

Your continued support will help us keep the dream alive in 2012 and into the future. We welcome you to visit us at our Walk On facility so you can see, first hand, how your generosity contributes to the amazing results of our program and its continued success.
